Central Intelligence Agency
2430 E Street, N.W.
Washington, D. C.

Dear Dr. Wheelon

I am happy to send you the attached copy of the HANDBOOK OF GEOPHYSICS AND SPACE ENVIRONMENTS, an in-house product that represents the combined efforts of seventy AFCRL scientists.

Your comments as well as any suggestions you might have that would assist us in revising chapters or sections would be appreciated.

Sincerely

Alan M. Gerlach

ALAN M. GERLACH
Deputy for Technical Plans and Operations
